

La Crème Patisserie

La Crème Patisserie specialise in the manufacture of handmade desserts, patisserie, chocolates and celebration cakes.

La Crème Patisserie's Terms and Conditions

Patisserie items from the brochure require a minimum of 48 hours notice before your allotted delivery day to guarantee delivery. We will of course do our best to accommodate late orders but cannot guarantee them.

Celebration Cakes

We request a minimum of 4 days notice for simply decorated celebration cakes. For more elaborate celebration cakes please phone to discuss your requirements.

Nut allergies

Every care will be taken to ensure that where requested cakes are produced nut free. However we use nuts in many of our products and we work in a relatively small area, therefore we cannot guarantee that those products which do not contain nuts are totally free of nut trace elements.

Enquires

The following pages contain a list of our most popular desserts but we are constantly developing and experimenting with new flavours and we love the challenge of making new desserts – so please send through any enquires you may have for desserts not quoted in our brochure.

Guarantee

By the nature that all our products are made in small batches and by hand, every dessert or cake may not look exactly as the last. It will of course be made with the exact same love and care we give to all our cakes
